Remarks

Turnkey furnished and beautifully updated, this ground-level 2-bedroom, 2-bath residence in Gulf & Bay Club Bayside offers an exceptional blend of comfort, convenience, and Siesta Key lifestyle. Lightly lived in and meticulously maintained, the interior features a renovated kitchen with stainless steel appliances, solid stone countertops, breakfast bar seating, recessed lighting, custom tray ceiling detail, and an open connection to the main living area that enhances both everyday living and entertaining. Large-format tile flooring runs throughout the main living spaces, while both bathrooms have been tastefully updated with stone counters and tiled shower surrounds. The spacious primary suite offers a relaxing retreat with direct access to the screened lanai, and the guest bedroom is well appointed for family and visitors. Coastal furnishings and decor create a true move-in-ready presentation. The oversized screened lanai expands the living space and provides a peaceful setting surrounded by tropical landscaping, with the community walking path just outside leading to the Intracoastal fishing area, tennis and pickleball courts, and the second pool. Ideally positioned within the community, this residence is also just a short distance to the clubhouse, fitness center, BBQ area, and main pool.
